

Community Report December 13, 2021

**Stanton Community Schools
School Improvement Process**

Community Members

Community Reps:

- Karen Doffin
- Alisha Siebrandt

Community Reps:

- Wendy Benson
- David Morfeld

School Reps:

- Matthew Alexander
- Cole Beebe
- Sarah Remm
- Ashley Schafer
- Shellie Sieh
- Robin Sperl

Implementation Area: Parenting

Accomplishments:

- Host preschool family engagement workshops.
- Newsletters contain academic and behavioral strategies for home.
- Implementation of Canvas at the secondary level.
- Implementation of Google Classroom at the upper elementary level.

Next Steps:

- Continue to provide opportunities for parent support and education (technology, social media, learning, behavioral, etc.)

Implementation Area: Communication

Accomplishments:

- Use of common platforms (Canvas, Google Classroom, ClassDojo) has resulted in increased communication.
- Licensed Mental Health Practitioner has a full schedule with students.

Next Steps:

- Increase communication with local preschool (Noah's Ark).
- Utilize the school's social media platforms to promote more school activities and opportunities.

Implementation Area: Volunteering

Accomplishments:

- Increased the community service hours requirement from 10 to 40.
- Grades 9-12 have an organized community service project day.

Next Steps:

- Provide opportunities for community members to help in the school: greeters, working with students, book clubs, etc.

Implementation Area: Learning at Home

Accomplishments:

- Individual Reading Improvement Plans for grades K-6.
- Read-at-Home activities provided to families.
- At-Home tips provided in newsletters.

Next Steps:

- Continue to assess ways to provide resources and strategies to parents to support their children's at-home learning.

Implementation Area: Decision Making

Accomplishments:

- Continued to conduct various committee meetings, which include parents and community members.

Next Steps:

- Update committee membership.
- Include student representation on committees and at board of education meetings.

Implementation Area: Community Collaboration

Accomplishments:

- School representation at the monthly business coalition meetings.
- Business support of school activities and families.

Next Steps:

- Strengthen the SCIP (School and Community Intervention and Prevention) process.
- Continue to build the school-business partnership.
- Reevaluate an after-school program.

Implementation Area: Community Collaboration

Next Steps Continued:

- Research a work-based learning program for seniors for the 2022-2023 school year.
- Recognize groups throughout the year (farmers, veterans, health care personnel, etc.)
