# Special Education Committee Meetings

## 12-16-21 Agenda:

- ✓ ILCD school team members attended a special ed workshop at ESU 8 and began updating the district's Targeted Improvement Plan (TIP).

## 4-11-22 Agenda:

- ✓ Completed and submitted the TIP to NDE.
- ✓ Reviewed and revised the district's special education action plan.

# Supporting Committees

- ILCD (Improving Learning for Children with Disabilities)
- MTSS (Multi-Tiered Systems of Support)
- SAT (Student Assistance Team)
- Grade-Level Teams

# Action Plan

## ***Student Performance Goal:***

Reduce achievement gaps in reading and math. To increase inclusion rates and access to grade-level instruction in general education classrooms.

# Action Plan Updates

## *Updated Committee Membership:*

- Parents of elementary and secondary students on IEP's
  - Will be looking at adding another parent rep at the middle-school level
- Elementary and secondary general education teachers
  - Added a secondary ELA teacher this year
- Special education teachers and paraprofessionals
- Board of education members
- Administration

# Action Plan Updates

## *District Policies & Procedures:*

- All policies are up-to-date.
- Our file review with NDE was initiated this spring and will continue into next fall.
- Our Targeted Improvement Plan (TIP) was submitted in April.

# ILCD & TIP

## (Improving Learning for Children with Disabilities & Targeted Improvement Plan)

- Focus is on improving vocabulary through explicit instruction
- Use of MAP Growth to measure progress
  - Met our goal this year!
- Targeting students in grades 2-11
- Plan was submitted to NDE this spring
- Addresses our TSI designation for grades 7-8

# Action Plan Updates

## *CIP Action Plan:*

- Will support the district's new action plan focuses of writing and SEBL.

# Action Plan Updates

## *In-Services:*

- Provide opportunities to educate PK-12 staff on special education topics. Examples of topics include verification of students, academic and behavioral strategies, transitions, etc.
- More specifically identified autism spectrum and SEBL as areas of need for staff training.

# Action Plan Updates

## *Parent Opportunities*

- Determine ways to further support our parents of students with disabilities
- Consult with ESU 8 and NDE for opportunities, resources, and programs

**Thank you for your continued support of  
all students and their learning needs at  
Stanton Community Schools!**
