October 17, 2007

- ✓ Dean Dahlkoetter, Pam Fuerhoff, Russ Johnson, Dallas Miller, Dean Quinn, Aaron Rang, Mike Sieh & Kyle Voecks met to discuss the possibility of a bus barn. The committee decided that the district needs to continue to pursue the bus barn. Committee would recommend steel on steel structure with either 6 or 8 bays. Locations surrounding the elementary school were examined including a field owned by Scott Hendrickson just north of the Schellpeper building and ground just east of the elementary. The committee also recommends starting with a cold storage structure with no special preparation for a mechanic or wash bay other than drains. A restroom would be determined based upon availability of sewage. The building would contain concrete floor with minimal apron in front of building. The meeting started at 7 p.m. and lasted one hour and five minutes.
